

1) The basic exercise is as follows:

Sticking:            r    l    r    l

Drum Set 

2) It's a good idea to put a hihat in there, for timekeeping purposes. We're adding it on beats two and beats four. Also, bear in mind that this fill is to be played quietly. This is an exercise in control.

Drum Set 

That's pretty much it for the transcription. This fill is not difficult. What is difficult is playing it fast without compromising on the sound of the part. Practice it with a click and slowly build up the tempo.
